

Education Resource Group *lunch and learn series:*  
**Parents and Common Core Mathematics:**  
**How to Transition and Help Your Student Succeed (K-8)**

**About the Session:**

Join us to learn about new changes in mathematics: ERG's math specialists will provide important information about the new **Common Core Math Standards**. The session will include but is not limited to the following:

- \*Today's math instruction compared to what we are used to - How is it different?
- \*History of the common core standards - How did they originate?
- \*Classroom Implications: everyday routines and homework - How can I help?
- \*Eight Standards of Mathematical Practices - What are they and how do they affect the student?

You will walk away from this information session more knowledgeable about common core math standards. Whether you are assisting with homework or getting ready for a parent conference, you will benefit! Save your spot now.
